Subject: Conditional Approval of Permit Transfer, Ambro and Son, LLP, Cedarstrom Calcite Mine, S/049/0012, Utah County, Utah

Dear Mr. Downs:

On October 21, 2009, the Division Director approved the replacement surety and reclamation contract for the Transfer of Notice of Intention (NOI) for the Cedarstrom Calcite Mine from Cedarstrom Calcite and Clay Corporation to Ambro and Son, LLP. You are now solely responsible to conduct mining and reclamation operations as outlined in the approved NOI. Cedarstrom Calcite and Clay Corp. is hereby released from any further reclamation liability under this permit.

As a condition of this approval, we ask that you complete the attached replacement pages to update the current NOI to reflect this transfer. Please fill out and return these pages before November 16, 2009. Attached for your records are copies of the approved transfer, reclamation contract and reclamation surety.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form MR-REV-SMO/EXP located on the Division's website www.ogm.utah.gov/minerals. You may not implement these changes until you receive Division approval of the amended/revise NOI.

Thank you for patience in completing this permit transfer. Please refer to file S/049/0012 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Paul Baker
Minerals Program Manager
